

# Workshops and Webinars

## PATHFINDER SERVICES OF ND

Our workshops and webinars are a great opportunity for parents, youth and professionals to gain in-depth knowledge, get hands-on experience, and learn evidence-based strategies.

PSND offers trainings and information in various formats:

### Webinars

**Live Streaming** – we feature live streaming webinars on several topics, as well as our “SHORTCUTS” series delivering quick information under 10 minutes.

**Virtual Webinars** – these typically are 1 hour trainings delivered via an online platform.

### Workshops

**Virtual or Face to Face** – we offer virtual and face to face learning opportunities through comprehensive federal and state specific trainings in core topical areas:

- Early Intervention Process
- Special Education Process
- Secondary Transition Process
- Rehabilitation Act – Section 504
- North Dakota Secondary Transition Project

### Interested in hosting one of our workshops?

Parent organizations, schools, and professional agencies are welcome to contact Pathfinder Services of ND for information on how to schedule a workshop in their area. Workshop sessions can be tailored to meet individual group needs and interests. Our workshops include interactive activities and related resources. Contact us at [info@pathfinder-nd.org](mailto:info@pathfinder-nd.org) or 701-857-7500 to learn more.

### Want to learn more about PSND?

PSND would love to come out to your school/agency to give an overview of our current projects and the various services we offer.

Browse a list of our workshops, streaming webinars and training catalog and more by visiting our website. Just hover over “Our Services” and click on Training and Information!

For information on requesting resources for your personal use or for your school or agency please contact:
