

# CHOOSING CLASSES

<http://psnd.co/choosingclasses>

**A WEBSITE DEDICATED TO HELPING STUDENTS PURPOSELY PLAN FOR THEIR FUTURE.**

Students who are involved in their **EDUCATIONAL PLANNING**, are more likely to be successful in school.

The Choosing Classes webpage puts **GOAL PLANNING** in the student's hands.

Students being able to shape their academic interests can **PLAN FOR THEIR OWN SUCCESS**.

Our website contains listings for over **SIX HUNDRED CLASSES** offered in schools across the state of North Dakota.

Students will be able to

- **SHARE** their future goals,
- **ARTICULATE** their needs to reach those goals
- **COLLABORATE** with parents and professionals to create an academic plan for success

**CHOOSING CLASSES HELPS STUDENTS CHOOSE THE CLASSES THAT WILL MATCH THEIR CAREER GOALS.**

Choosing Classes provides simplified class descriptions that are easy to understand and the format allows for self-discovery and purposeful planning for a student's **academic goals**.

Choosing Classes provides information towards **career goals** and **academic planning** towards workplace readiness.

Choosing Classes provides students the ability to plan their academic career so they can then work with their school personnel when planning their schedule, which promotes **self-advocacy**.

Pathfinder Services of North Dakota will support **students and their families, professionals, and teachers** through

- interactive workshops on how to use the website
- individualized assistance and support.
